“ Many great memories of growing up with Sheila on the Island. My fondest memories are from Jackie's Dance Studio-Sheila and I were "acrobat partners"...did some cool stuff together and she always had my back-literally. Sheila was strong, funny and kind-just an all round amazing person. Also-my husband's cousin-so there are some fun family ties memories also. May she rest in peace. Our very deepest condolences to her family.

“ Sheila was a great friend of mine while we both grew up on Indiana street on the island. Practically right next door to each other and Blessed Trinity Church and school.

We went all the way through school together from kindergarten through high school. She was always so funny and kind. Sheila will be missed by all.

I'm so sorry for all the Gruber siblings. God Bless the entire Gruber family and God Bless America.

Sincerely Ron Hickman 🙏❤️

“ *Sheila was such a bright light! She used to come to the office where I work. She was so funny! She used to tell me that she wanted all her teeth taken out so she wouldn't have to mess with them anymore! I was laughing so hard telling her absolutely not! She had a Hollywood smile and nobody would ever touch those beautiful teeth!*

She also made a few T-shirt blankets for our family and they are fabulous! She loved her kids so much as she would always talk about them and her grandkids! She had a giving heart! Prayers for her family and friends! She will be missed! 🙏❤️
