Shelia was a special friend to me. I loved working with her, such a compassionate nurse. She was there for me and my three boys when I was sick. She brought us meals and was so supportive when I was going through hard times. She will be greatly missed.

“ My thoughts and prayers are with Sheila's family. We were students together at OVGH School of Nursing from 1960-63 and remained friends thru the years. We shared memories and laughs about those times during our 50th anniversary class reunion in 2013. My sympathies to all.
