“ Chuck, Sorry to hear about your son-in-law. My thoughts and sympathy go out to all of Sherman's family and many friends, especially to his son. No child should lose both parents at such young ages.

Sherman was our repair guy for our copier in a doctors office I worked in and most recently at American Medical Billing. He was always so nice and we would joke and tell him we just broke our copier on purpose just so we could have him come to the office. He would often talk about his son. I thought so much of him I even tried to fix him up with one of the single girls but he told me he spent all his time with his son! So very sorry for your loss.
