“ Hi Deb. Barbara Rush just told me about Sherm yesterday. He was a very important part of my life. For 15 years he listened to every detail of my life and gave me wonderful advice. He was so much more than just someone that cut my hair. He was very special to me. I will miss him very much. I will never find anyone that could shape up my hair the way he did. He was a very special person and there is a void in my heart without him. --Lisa Kenzora

“ I'm so thankful that Sherman was part of my life! I loved his stories, his ideas, his bravado and his love of life. His venison care packages to me were his language of love for my family.....cherished memories.
And the best haircut I've ever had.
Debi, We are praying for you and all the family.

I am so glad that you knew. I was wracking my brain trying to find you. He had a very bad year. I am so glad the Good Lord decided to finally give him the peace he so rightly deserved.
