“ *I'm so very sorry for your loss. I can honestly say I know how difficult it is to lose you Father. Each of you are in my thoughts and Prayers. Sending my deepest sympathy. Please know I'm only a call or text away should you need anything. Your Dad was so pleasant and kind to so many people. I'm sure that anyone he came into contact with would always remember him. Hold you memories close to your hearts, and know that no one can ever take those away..*

So many memories come flowing back to me from this family. So many visits to their farm on the ridge with trips to see the fire works in Woodsfield to cook outs on their farm. Great friends. Love and prayers for the family and prayers
