“ We are so sad to hear of Sherry's passing. She was a wonderful lady and was so good to my girls. She had cute nicknames for them, and whenever I called, she knew exactly who I was without me even saying my name. She understood teenagers and loved each and every one of the students at RHS. Praying for God's comfort for all during this great loss.

“ *Stevie and Corey,  
We are so sorry to hear of your loss. We have many wonderful memories of her as Corey and Chad grew up together... all the times at the ballfields and basketball courts. It was always good to know that all the students at RHS had her in the office. She truly cared about all of the kids who came and went through those halls.*

“ *Stevie and Corey,  
We are so sorry to hear about your Mom. It just seems to me that it has always taken a really special person to be the secretary at Rlver High School. Your Mom has filled those shoes and will always be remembered for being in the office. I have so many memories of your Mom, but probably knew her best when you boys were in Kindergarten. There wasn't anything she wouldn't do for me or you two to make our day go better. She is the kind of person who loved you unconditionally and we feel the same about her. Our prayer is that you both can work through this and become better and stronger people because of your Mom and her love for you. We love you and are praying for you both. Love Bart and Joyce (Indermuhle) Wiggins*

“ River high school students have been blessed to have a second "mom" in Sherry. No one has been more supportive of all students during and after their years at RHS. May her influence on all of us, but especially the kids, live on. May her family find comfort in their memories of her.

“ *Sherry was a great person and one of the most supportive people I know for the River High School Students. She was a true Pilot fan. She spent most of her time keeping those RHS students straight...including my boys Nate and Evan. Those 2 boys loved her to pieces. I went to the school recently to pick up Evan's yearbook. I was talking with Sherry about the renovation progress and the new office. She said that the office was nice but she didn't like it because she was separated from "her students". My prayers and condolences to the family and RHS staff. She will be greatly missed!*

“ Sherry was a wonderful and loving person. I remember bringing Trey in from Dr. appt. and commended on how wonderful the new office looked and she commented that she didn't like it....because she could not see all of "her" kids throughout the day. She always had a smile and a kind word for all of them. She loved all of the students and they loved her. We will all miss her. God bless her family in this time of sorrow.
