“ Pam and Chuck I have many wonderful memories of your Mom!!! First and foremost she entrusted me with the care of you two while she worked before we moved from Ohio. I remember her gardens and all the vegetables and meats she would cold pack canning. I'm so glad I not all that long ago touched base with her and was able to reconnect on the phone. I will always remember your Mom as a hard worker, a kind helping friend and most of all how very much she loved you both!!! My love and sympathy to both of you Chuck and Pam, and all your family!!!
