“ We would like to extend our deepest sympathies to the family of Shirley Hood. We knew her and learned about things she loved to do through her son, Robin. No one could have done more for her than Robin. He was a devoted, loving and caring son, and strived to make her entire life a part of his. We are thinking and praying for you and your family members. Your mom lived a full and happy life, but no one can ever take the place of you mother. The memories you have will be a blessing in days to come. Rick and Lucinda

“ Robin,
Julie and I glad to have spent time with your mom and you in the past year. And way back when we were teenagers, the fond memories we share and knowing she is now with the Lord is a comfort we share. May God bless and comfort you.
