“ *I always thought the world of Shirley, Lou Ann and I go all the way back to grade school together. Shirley was always there to talk with me in later years and at times became my confidant. I loved her to the moon and back and she will be forever missed. She was not only beautiful on the outside but the inside as well. You will be missed sweet lady.*

“ With great sadness, my thoughts & prayers are with the entire Meintel Family. The mother you've lost won't ever be able to be replaced. She played not only the role of mother but also father. She even was our mother away from our own & cared for each one of us. I was fortunate to have been One of those kids. Mike, LuAnn & Pat, your mother is smiling from heaven, knowing the values of life she gave each of you & the person that you've become & have passed on to your children. God Bless & thank You Mrs. Meintel . 🙏
