“ Candy, We are deeply saddened upon receiving the news of Ricks' passing. I will always carry the memories of those long boring bus trips and the dumb stuff we used to talk about. Rick was a great classmate, teammate, and all-around friend, that I will always smile when I hear his name because he was just a fun person. Rick, you will be missed. Mike, Michele, Luke, Jake

“ Candy and family, my heartfelt sympathy and prayers for all of you. Victor phoned me Wednesday morning with the tragic news. I've worked with Rick since 1983 and have seen him mature from a young man into a fine loving man for God and family. We have had a lot of heart to hearts over the years and I will miss him dearly. Rick was my foreman and he did his best to help the hourly people in all that he could. He never forgot his roots like so many others. I treasure all the memories and teasing that we gave to one another and sometime I will have to tell you a couple of the stories. Hold on to your memories and know that he loved all of you dearly. May God in his loving mercy bless you all with comfort. I'm keeping you in prayers, Bon

“ To the whole Smith Family, I am so sorry for your loss, Rick was what I will always remember as a true childhood friend. Growing up down the street from him are some of my best childhood memories. We lost touch later in our adult lives but he was never forgotten. His whole family were the best neighbors anyone could ask for and I dearly miss the days when we all together in our sometimes not so quite neighborhood. I look forward to the time in the future when we meet again. I followed his family exploits when I was on Facebook and I can see he was a loving and proud family man and I know he will be missed. My prayers be with you all.
