“ What a long and wonderful life God gave your mom. I know the "gang" in Florida will miss her on your weekly travels through out the Venice area. And I know that life it will look different without her. It must be really hard to know you won't see again her until heaven. I'm so thankful I still have my mother even though I don't see her everyday. We look forward to visiting with you in Florida next time. Blessings, Lanny and Karen
