“ *I just heard the sad news of Sonya's passing. My condolences to Todd, her mother and father, her sister, and all who knew and loved her. Sonya was one of my closest friends in elementary school. We often walked to and from school together--sometimes coordinating our outfits and sharing goodies from our lunchboxes--and enjoying the fun and laughter of young schoolgirls. I spent many hours at her home where Cindy, Lonell, and Denzil always added to the fun. I'll never forget how Sonya and Lonell comforted me at the visitation when my father passed when we were in sixth grade, and the kindness and generosity the entire family showed me and my family in those precious formative years of live. Rest in peace.*

“ I want to extend my sympathy to the Todd, her parents, sister and all of the rest of the family on behalf of the Magnolia High School Class of 1984. One of our classmates shared the sad news with all of us. Many shared their memories of Sonya from our childhood days. She was such a bright, positive and smart soul. Our thoughts are with the family in the days ahead. Bob Coffield and the Class of 1984

It's been so long since I last saw Sonya, but the moment I saw her photo, I was reminded of how sweet, kind, and funny she was. I hope that happier memories soon help to fill the void left in her passing. My condolences to her family and friends.
