“ Rita and Stack Family, You are in my thoughts and prayers. Helen was a special lady I spent many walks ending to visit with her on her porch for hours talking about nothing and everything she has a wealth of knowledge to share with everyone she meets. If I can do anything just let me know even if it's just to listen I'm here. Prayers to all

“ Family, Please accept my sincere condolences. Your Mother will be in my memories for as long as I shall live. What a great woman, second only to my own Mother in my mind. She always was warm and friendly to me no matter what. Always a hug and a very warm smile and always wanted to know how I was. I am so very sorry that I could not come by the funeral home to offer my sympathy in person. I hope you all understand. She touched my life in a positive way. I hope some of her personality "rubbed off" onto me.
