“ *Stush was a fun and caring member of our extended family. Always ready for a party and always taking the time to ask about your family. We have so many wonderful memories with Stush, Jackie and the boys. Lisa and I talk about them frequently. We thought of him like we would our own brother. He was a kind and wonderful brother in law. He will be missed.*

Stush was one of the nicest men I had ever met. We umpired hundreds of little league baseball games together. I'll never forget some of those hot July days being out on the field doing tournaments all day long. He really cared about the kids. He was just a great person to be around and will be missed. Rest well my friend

stush was a very caring loving husband and father. His zest for life through athletics was very evident. He thoroughly enjoyed watching his sons perform on the athletic fields. He was family first and it showed. Rest in peace
