“ Steve, or Eugene as I would call him, is gone too soon. We had so many fantastic times together and as others pointed out was a brilliant person. Talented in so many different ways, he was a person that had that internal drive to succeed and made his way quick in the world of Wall Street. A Williamson High School legend, friend and TRS 80 chess foe, we became roommates in college where we extended the good times. He was the the quintessential "Smooth Operator". Gonna miss him dearly. My sincere condolences to his family.

“ Sending prayers for your family and loved ones. I am so deeply sad to hear of Stevie's passing. He was friend all through school and very near and dear to my family. I am absolutely devastated over his passing. Stevie was always smart and dedicated at everything he did. The enjoyment he gave us all at basketball games! He could play a mean game. You will never never be forgotten Stevie Thorn. You left a great impact on a lot of our lives and I loved you dearly. Fly high my friend and may you find your peace in heaven!! You will be missed tremendously my friend.

“ Loving thoughts and prayers go out to you and Sabrina, Dee . I was deeply saddened to hear the news of Steve's passing. As one of my very Best friends and partners for over 20 years words can't begin to express the tremendous influence on my life. I pray that you find comfort knowing that Steve has once again Transcended his situation so as to go full steam ahead, as was always his nature in everything he did. His Life, Business & Family. Unfortunately his health problems problems forced him to pull back. I thank God that he had such a loving and dedicated friend & Wife that stayed by him for 30 years like a Rock through all life's challenges!! God Bless you Diretha, Steve couldnt have dreamed up a better life companion than you. You're amazing. Take comfort in knowing The chains have been lifted off his shoulders and Yours Dee, we know it's been tough. Be relieved in knowing that Steve's got his Cape back, his Swagger back and he's returning, no elevating, back to Superman Status soaring with the Eagles, ready to tackle his Next Adventure. God Speed My Brother, God Speed ... You will be missed, and Never forgotten...

Stevie and I grew up together. We were both ultra competitive. We were kool. I hadn't seen Stevie since our 10 year high school reunion. We had a chance to talk on a more vulnerable level. I left that conversation with a better understanding of who Stevie really was. Stevie was always a handsome, brilliant, articulate, well manner man. I will never forget our times together, Stevie! I wish I would've made contact with him prior to his death. My sincerest condolences to the family. My thoughts and prayers are with the family.
