“ Steve was an amazingly sweet guy. I have known him since we were in grade school together at Center McMechen and then through High School at Bishop Donahue, and for some time after that including time at REM. Even though we weren't close friends, I still called him my friend and we had good times working on group projects in school and hanging out as adults. We even went to Kennywood together with my husband and another friend when I found out I was pregnant with my first child. Steve was always supportive, and fun to hang around. I will miss him and I hope he finds peace. My husband and my thoughts go out to his family and friends at this time.

I know you will be up there cracking jokes and making everyone laugh like you did for everyone down here. You are truly going to be missed Steve. I just wish I could have spent more time with you. One day we will meet again and we can have our talks again. Love you brother.
