“ I miss you alot, I miss when you read me the book about the hungry caterpillar. I miss your cooking and when you hugged me. My grandma was a kind person who always gave a helping hand to those who needed it. She had a wonderful sense of humor and had a determined personality. My time with her wasn't long but she will hold a place in my heart

“ I always felt very close to my aunt in heart and spirit. She always gave of herself to her family, friends and those in need. Even though her own days might have been hard, she never let that show. She had a humble way and a wonderful sense of humor. I know she was a huge influence during my early years. We send our love to the family at this difficult time.
