“ Dear John,

So saddened to learn of your mother's passing, I had not seen her for many years, but I have now learned that she was having a difficult time healthwise. I am glad that her earthly suffering is over and that she can rest in the loving arms of the Lord. My condolences to you and your family. I hope you and your family can find peace and good health. That is what she would have wanted for you. What I do remember about your mother is that she absolutely adored you. Much love,

“ My thoughts and prayers to the family of Sue. I first met Sue when she was teaching in Marshall Co and in later years at Calvary Church. I know the later years were rough healthwise but she always had a cheery hello when I ran in to her. May your next journey be full of happy, healthy days. Rest in peace
