“ Ms. Sue was our neighbor up on Mount Lebanon. She would always happily watch the “talent shows” all of us neighborhood kids would put on for her and then would take us to show us all of the gems she had found. I loved watching how excited my little sister would get these past couple of years to go visit her and get a piece of candy from the candy jar that Sue always had stocked up for her. Mount Lebanon won’t be the same without Ms. Sue.

“ I use to work at Reynolds Memorial with Sue, also her mother and my mother were very good friends for many years. I remember Betty coming to our house in West Alexander when we were kids, and Sue and Artie would come with their mom. Sue was a great person. My deepest sympathy to the family.
