“ When Aunt Sue was watching my three children, she taught my girls how to crochet and they still remember it. When I was small I remember going to Aunt Sue’s apartment and she was polishing silver. She was always so kind and had a good sense of humor. She and Uncle Tom who was always the nicest man would visit our house and my parents. We didn’t see them much when they moved to Canton. You always say you’re going to visit someone and life gets in the way and before you know it, it’s too late. Rest In Peace Aunt Sue.
