“ Nelson & Beth,

So sorry to hear about the loss of your mom. Prayers and condolences to you and your family. I remember her being a huge Notre Dame fan, so hopefully she can "pull some strings" and bring home the title. Take care my friend.

“ *Susie was such a joy. I enjoyed knowing her through her work with Dr. Balgo's office. She loved her job and was a terrific addition to the office. She handled herself so well and was always thinking of others. A perfect addition to a doctor's office staff. The patients all benefited because of her and she did a sensational job. She will be very missed.*

“ *Dear Deanna, Kathleen and your families, I was so sorry to hear of your mothers passing. I had the pleasure of working with her at the St. Clairsville Clinic, and really enjoyed seeing her take such good care of the patients, the physicians and even all of the employees! She just knew how to make me smile and enjoy my day working with her. My thoughts and prayers are with you all. Josie Grover*

“ So incredibly sorry for the loss. I know my mom, Judy, thought the world of her cousin, Susie. I am sure that there will be much laughter and joy as they 'catch up' in Heaven. RIP Susie! May God grant your family much peace and comfort as they say their goodbyes.
