“ *Aunt Sue, I loved when my mom would bring us to visit as children. I will never forget your voice, your laughter that could be heard to the river and back, your way with words (tee hee), your affectionate sarcasm, but most of all your kind and generous heart. Even at a young age, I knew you were a big softy! I am sorry that I cannot be there this weekend for a final goodbye, but know that I love you and will greatly miss you. Much Love to Billy, Debbie, Paul and Paula*

“ *Billy and Debbie, I remember your mom's wonderful sense of humor when I was teaching you two at Sardis Elementary. She could always make me laugh and just cheer me when I was feeling sad. So sorry for your loss!*

“ Sue, "You" will be missed. Your straightforwardness was priceless. They really did break the mold. Everyone that knew you, knew where they stood. We had some great times on the ball fields and not so great times, but I wouldn't change them in a lifetime. I can see Iva Jean saying now "hold on to your wings folks, my sister's on her way up" I loved being in our neighborhood. The times we sat out there talking and laughing at ourselves helped make good memories of our little hood down there. You, "SUE," will be missed. Love and Prayers to you Bill, Debbie, Paul and Paula and to all that held a piece of your heart in there's.💕
