“ I will always remember Suzanne as a kind and lovely woman with amazing style. She was always such an enthusiastic supporter and encourager to Erin and me as we danced, rehearsed, and twirled a variety of things there in the Gallaghers' driveway. God bless you, especially now in your time of grief. With much love, Chris Davis Fenzl

“ Bill, Billy, and Erin,

*Please accept our deepest condolences for the loss of Suzie. How quickly the years pass by ....we remember our time together fondly, ages ago, as next door neighbors in Sun Valley. Those were truly the "good 'ole days." How lucky we all were to enjoy them! You and Suzie have always held a special place in our hearts, and memories of those good times will continue to make us smile as we remember Suzie with love.*

*Our sincerest sympathies,*

“ Erin,

*I can tell merely from the images posted below, but what wonderful pictures and memories that you will have to look back on after the pain of the loss of your mother subsides. Your family looks to have enjoyed and savored the moments that you had together. I hope that you find the heartache lightens quickly so that you can continue to "suck the marrow out of life" as it appears your mother did.*
