“ Dear Sandy and Mary, Just heard last night that your dear mother died. I did know that she'd been at a Health Care Center in St. C. for a while. I'm sure that you girls saw to it that she was taken care of there and that you did all you could do, too, to make her life as happy as possible. That's something you can feel good about forever. The picture you chose for Obituary was perfect. I remember her when she looked like that...so pretty...and the fun we used to have. Pray you and your families are well. Love, Aunt Sharon
