“ It has been nearly three years and I miss you terribly. You were the only “sister” I ever had. My life has been tremendously diminished since you’re gone. You will always be a part of me and my “girls”. I love you.

“ Miss Terri was a very special lady. She helped my son with speech for several years til she retired. My son is now 15 and speaks perfect. She always greeted us with a smile and you could see the light of the Lord shine through her. I am so sadden to here of her passing. May God comfort her family and friends and give them the peace that passes all understanding.

Jim, Logan & Gavin, Mark & I are so very sorry to hear of Teri's passing. I didn't know her very well, but as a tenant/landlord relationship, and she was the one I usually saw every month. I always thought she was so pretty. and one of the nicest people around. I didn't just hand her the rent then leave. She would have a conversation with me. Ask how the pets were, etc.....When you left her, you actually had a smile on your face! Our thoughts & prayers are with you all.

“ If only her great crafting skills could crochet our collective hearts whole, once more. There are not enough words to account for all that Teri was and gave to me, starting 40 years ago when we first met in grad school and became instant friends, to becoming godmother (and Jim, godfather) to my children. Teaching me about the goodness of vegetable soup and keeping plants alive to raising good and honest children is only a small portion of the gifts she gave me. But most of all, her sneaky laughs that amused her to no end. She was EVERYTHING good. The learning curve of missing her seems too great, but as she would tell us all, seek God in everything you do. From our family to hers, you have our deepest condolences, prayers, and love.

“ Our thoughts and prayers go out to Jim, Gavin and Logan and their families. Teri was a very special and thoughtful person. We had many memories of flag football games while the boys played. Enjoyed so much seeing her at craft shows and at yard sales with Chris. I know she was a person of great faith and that faith has her now in God’s precious arms. I pray that you’re all comforted by that thought. Teri will be greatly missed by everyone who knew and loved her. May God be with you all.
