“ *Brenda and family, So sorry to hear of Doc's passing. I meant Doc
through line dancing. I saw him and the River City Dancers perform
at Sardis and knew it was something I wanted to do. Doc taught
lessons at the Midway Community Center. We has some fun times.
He will surely be missed my many. My thought and prayers are with
you during this difficult time.*

“ *Brenda and Family: Had the pleasure of working with Doc at Ormet
some 20 years ago. Doc also recruited me to play softball with him
on the Moose fastpitch team. What a great time we had, both at
work and at play. He always had a big smile to greet me any time
our paths crossed. In my mind he was always one of the legends,
and the world doesn't have nearly enough Doc's in it these days. I
like to refer to those guys as "characters." Some call them "good-ole
boys"; whatever the term, to me it means one of God's best. My
sympathy and prayers are with you all at this time, God Bless You.*
