“ *I have fond memories of working with T.R. at PPG for many years. He was always such a kind man. After I relocated to Louisiana he took the time every Christmas to send me an email wishing us a Merry Christmas. I am praying that his family and friends can find some comfort at this difficult time.*

I worked at the plant with Terry. Whenever I went to Cal Hypo to fix computer problems Terry would always offer me a cup of coffee. I always enjoyed our small chats. I'm sure God will bless him for the wonderful person he was.

“ I would first like to pass my personal condolences along to Terry's wife, son, and his brothers. I worked with Terry off and have never heard him say a bad thing about anyone. I believe that his loss to his wife and son will not set in until, they start looking back at his personal life and his ever ability to forgive. I pray that he is finally at peace, in the hollow of God's hand. In the end this is all there is, a hope of everlasting life and God who is so long suffering, that he continues to allow us a hope of saving our souls. His friend always,

“ So sorry Joyce and Greg. Uncle Terry was such a wonderful man. Many good memories from when I was young and him going to church with my mom, sister's and myself. Growing up he was always there to lend a hand to help my mom. I was so glad he was able to meet all my kids at mom's funeral. Love and prayers to you both.
