“ I am so sorry for your loss of Terry and wish you my condolences. I worked with Terry at the St. John's Home for Children and considered him a gentle giant with a huge heart. He provided a solid male influence on the lives of those kids with whom he worked and they are the better for it. May God welcome him into his eternal kingdom and grant the family peace at this time

“ *T-bone was a gentle giant, and a joy to be around. He was my student, a member of my honeroom and the best friend of my nephew, Drew Mason. This is extremely sad for everyone, who knew Terry. I feel especially sad for Bobby, Diana and Kelly, and pray that they can find peace in a life well lived. May the big guy from Proctor rest in the perpetual light of the Good Lord.*

“ Bubba and Diane, No words can express the loss of a child. We never know when our world will never be the same. To say we are sorry seems so inadequate. Please know you and your family will be in our thoughts and prayers. May God give you the strength to get through this tragedy. Our heartfelt sympathies. Deaner and Jim Isaacs

“ I too played football at Malone with Terry. We were in the same recruiting class and played all 4 years together. He was a good soul, and was always the life of the party. Haven't talked with him other than through FB in many years, however he will be missed and was definitely taken from This world too soon. Condolences to his family, he was a great young man!
