“ Theresa aka Grandma, was more than just my namesake, she was the most loving, caring, kind and understanding women I have ever known. She taught me so many valuable life skills. I have a million wonderful memories that I will never forget and always hold dear to my Heart. There are no words that can express the amount of loss our family is experiencing. If I can be half, even a quarter of the women she was, I would be Lucky! Gma I'm not sure how I will make it without you, But we will continue to live everyday with you in our Hearts and our memories.

Beautifully said friend. She was a very sweet kind woman that will be missed by many but in a beautiful pain free place now.

Theresa will be missed by all of us who knew her at Armacell. Spent many trade shows with Chuck and Theresa enjoying the cities we were in. Fat Tuesday in San Diego may have been the best. The Moore family will be in our prayers and in our hearts.
