“ The world just lost a tremendous guy but heaven has gained an even better soul. Like many in Glen Dale Tom was a lifelong friend. And like many of us during this time we all had “rotating” best friends usually dependent on the sport season. I considered Tom a best friend often. We went to grade school together - same grade. However, I went to Moundsville High and he went to Union. I went to WL and he went to WVU. Fortunately for me, Tom had to go an extra year at WVU and I went there after WL and we reconnected at the Warsaw one night and we both were looking for a roommate that following year so luck would have it. Turned out to be one of the best years I ever had. We spent that summer hanging out together having many memorable adventures. And we again became best friends. Tom was such an honest, faithful, loving person. Never said a bad thing about anyone (except politicians). A true friend to many. Quiet, easy going but funnier than the dickens. While our paths have put a distance between us it was always great to see him again. I’m sure he was loved by many. He made my life better and I will miss him. Love you Tom. May the Lord shine his light on you and bring peace to your soul. Can’t wait till we meet up once again and reignite our friendship for a forever time this time around.

“Uncle” Tom was & is the kind of uncle everyone should have in their life. A beautiful soul that never had a negative thing to say (unless it was the opposing team from WVU). Kept a smile on his face and shared the kindest words always. My favorite memories were from him letting me tag along with him at the Rec so I could swim in the steamy pool while it was snowing outside. We also share a true love for animals, but our dog wasn't a great swimmer like his. Fetching a stick on the creek almost required his lifeguard skills. You will be missed Uncle Tom, but your spirit, kindness and positivity will be with us always. We truly love you ❤️

“ Hard to believe where all those years went. I first met Tom when he became the Rec Director for Moundsville in the mid 70's. Unlike many others who have passed through my life, Tom was always the same good guy through all those years. My thoughts and sympathy go out to all of his family and many friends. He definitely made this small part of the world a better place. Time is....Time was...Time shall be no more. Goodbye to the old Rec Director and WVU fan with a big heart.

What a great friend. I will miss him terribly. We would talk on the phone for hours on end about everything from Wvu to politics to our dogs. Tom would do anything for anybody. How would I know that. Because he did it for me. R. I. P. Tom. You were a true patriot who loved his family and country
