“ I remember the year Tom came to moose camp with us at Atikokan Ontario. He had a sling shot and practiced constantly and finally of a spruce grouse . He was so proud of that victory. Tom didn't smoke, swear or drink . He was an immediate friend to everyone he met. My sincere condolences to your family. I'll always remember Tom and the God times. Steve Heeley

“ I'm one of the " Grumpy Old Biker's " Rode a lot of miles with Tom. I ordered Tom's GOB shirts for him. He once ask me if I could get him a discount because he didn't need the sleeves. Then he would laugh with that hearty mountain man laugh. He is already missed and will be in the future by the GOB's.

“ Sorry about your loss. I sometimes rode motorcycles with Tom. He always liked to play his music loud when riding. This " Grumpy Old Biker " will miss him

“ A handshake, or a bear-hug, from Tom.....meant that you had gone from being just an acquaintance to being a friend for life. Luckily for me, I got a good handful of bear-hugs from Tom, over the years I met up with him at Strictly Sticks and Pine Hill. The picture I have of us at an event has been and will continue to be a great reminder of a person I strived to be more like. Until our next campfire, Tom.....

“ To the Family and friends of Tom, I have many of memories of him working at Powhatan 4. Always full of fun and excitement, great co-worker and always talked good of his family, kind of bragging, most of the time. Always had a joke or story to tell. He loved passing on his archery skills to the younger ones. Praying for God to comfort you all at this time. He will be sadly missed by all. Agape' Love, Bob "Mr. Clean" Leasure
