“ Tom Wilson was genuine nice guy. Always pleasant to be around. I remember being welcomed at Tom and Yvonne's home and they shared whatever they were having with us. I was his nephew's wife but he always made me feel I was part of the family. He'd joke with me as much as he would joke with his kids for nieces and nephews. He will be missed dearly.

“ Tom was my favorite Uncle. He was the youngest sibling of my Mom's. Thinking of him brought back many wonderful memories . As a teenager I did a lot of things with Tom. He took me hunting, we worked together fixing up the family cabin. He worked for the railroad, one time he had to babysit a Diesel engine that night he took me along for company and I spent the night in a caboose. Many a time I'd ride in the bed of his pick up on the way to Fish Creek our family's summer camp. He was more like an older brother to me than an uncle. I will miss him.
