“ Wayne took Tommy camping in Elkins for a weekend and came back with funny stories from their time together. I believe that Tommy played a guitar and entertained other campers! As others have said, Tommy always had a smile. He will be missed.

“ I worked with Tommy at Tecnocap (hired the same day, same time) and this is the memory I'll always have of him. He was so funny, always smiling, a goofball at times, and always found joy in making others laugh and smile. The last couple of days there have not been the same without him. He will forever be missed!
