“Daddy it's been four years.. when does it get better? When does the pain and guilt start to fade into atleast leaving with it. I can't believe you're gone now more then ever, each day you're gone I sink into this hole worse and worse kind of like I'm drowning in a pool with no water. I want you back. I need you back. I miss you. Please come visit me in my dreams. You are my world.

“Wow dad it's been a little over a month and everything's been hitting me so hard. I miss being daddy's little girl. I miss sitting on your lap, I miss singing old songs with you. I miss your smell, your sense of humor. Your smile, everything. I would give anything in the world to see you one more time and tell you how much I love you. You are my world. & I can't wait till I can see you in heaven. I miss you daddy<3

“ *Tim,
You're a guy that I met 4 1/2 years ago that became a great friend
and brother to me.
I appreciate the times that you listened to me when your Brother,
Gerald refused to. You listened and advised me with care all of the
time. You knew your brother better than anyone and how difficult he
can be. I will miss your advice on how to handle things.
The Lord must have special plans for you, my Friend because he
took you from us too early, we need you, but God must need you
more now.
I miss you already, Brother-in-Law.
Love, Bobby*

“ *I cried a river of tears
I could not believe my ears
You are already missed so much
You brought everyone a special touch
Why did you leave us so soon
My love for you is as big as the moon
You truly had a heart of gold
After you they broke the mold
You were the tuffest guy i know
Oh how I'm going to miss you so.
Love your cousin Tammy*

“*Tim was not only my fiancé', he was my best friend, my soul mate, and the love of my life! He had the biggest heart of anyone I know and would give you the shirt right off his back, he always was bending over backwards to help anyone in need. I'm so honored and proud to have been your fiancé. I Miss you so much words can't describe how lost I am without you! I miss everything so much.. your contagious smile and laugh, your amazing hugs and kisses, your gorgeous eyes, your amazing smell, the little kisses we gave each other every night we went to sleep, the heart to heart conversations we had laying in bed for hours holding each other until we fell asleep, texting each other all day long just to say I love you. We had our good times and our bad times just like any couple does, but we made it through a lot together and it only made us closer and stronger as a couple! We were soul mates and meant to be together, and we will be together again one day soon baby! I LOVE YOU SO MUCH and I will always love you Tim<3 Rest in Peace baby and I wanted to wish you Happy Anniversary today my love! I know your looking down on me and giving me the strength to keep going on. I LOVE YOU BABY!*

“ Tim i ddn't know you for very long but you always make me laugh or smile. You just have this all around great personality and sense of humor. You have this way of making a person feel like they have known you for years because your so open and honest. I always feel welcome and comfortable when you are around. You are a wonderful father, son, brother and cousin. I know this because there isn't a time when one of them isn't bragging you up or telling me something funny you've said or done or depending on you for something. You are a good friend to me because I've only known you a short time and you'v helped me out so many times.And you actually listen thats an awesome and unique quality to have. I know Im writing this in "present" tense and people probably think Im retarded for writing it like this but I don't want to accept you arn't here anymore. And Im doing what you told me tim.. be myself and F... what anyone else thinks! Im trying to be here for your family. They are all devastated because you were so important in a different way in each and everyone of their lives. You are loved so much and will be missed forever! I am so grateful i got the chance to know you and that you were a friend to me. Goodbye until its my time Tim. All of the good natured kind hearted genuine people have souls that gather in heaven and i know thats where your spending eternity.
