*"Joey" is what we called him when we were all growing up. Most everyone knew him as Joe though. All of the many memories that we had growing up in a house filled with Love will forever keep you alive in our hearts. I know that Dad was very proud of Joe, for he told me so many times when we talked about his wonderful family. Those that really knew him know he was a good worker, cared deeply for his wife and ever-growing family. I'll never forget the fun we had when you came to our farm to deer hunt and all of the times we talked about his kids and grandkids; you all should know that he was very proud of you all and loved you deeply. My wife and family will miss him as we know too how much you all will miss him too. I'm sure you will remember things about "Joe" that will help comfort everyday moving forward. Love Bob, Debbie and family.*
