“ *What can I say about Tim.. Anyone that had the pleasure of meeting Tim was truly blessed. Tim has been my friend since we first met in summer drivers ED. His sense of humor and amazing wit you could not help but love him. Tim has always been the one constant in my life. Life may have lead us down separate paths but I always knew he had my back and was just a call away. My heart is crushed that he is know longer with us. This was not the plan Tim. We were suppose to end up in the same nursing home sitting side by side in rocker causing havoc Love you Tim and will miss you everyday..*

“ So sorry about T MAC..I don't think I ever saw him out when he didn't take the time to come over and say HELLO, and I'm sure I wasn't the only person he did this to. The world could use a lot more of T MACS. My thoughts and sympathy go out to all of his family and many friends.
