“ *So very many but one that stands out is when Tim and I got caught in a snow storm at Conway Lake and they made everyone leave. But not us we had a foot of snow on our backs and caught our limit. Then the boat ramp was ice and we slid my truck and boat right into the lake!!!!*

“ *I remember when Tim came home from the hospital. The new little baby next door. Derek remembers Sonny urging Tim to throw his baby bottle in the creek, telling him he was a big boy. Tim threw it as hard as he could. I was fortunate enough to watch him race in later years. He was fearless at a really young age and conquered the sport. Love to Tim's family. You all are in our thoughts and prayers. Rona, Rob, Derek and Dena*
