“ *So many memories of Tim flood my mind....we shared such fun times and many laughs together in school. He always had a way of lighting up the room when he entered and making everyone laugh. I will never forget our senior prom together. Pictures truly say a thousand words....looking back and remembering such a great guy. Always smiling, being silly, and just being himself. RIP Tim.... you will never be forgotten.* ”

“ I would like to offer my condolences to tims family, I had the pleasure of knowing tim and his family for awhile now. I can remember clear back to the first time I met him and can remember all the good times we shared together, like how are birthdays were a day a part, bonfires, hanging out with him and his grandma, and how he was my first sons god parent . We where pretty much like brothers from day one. You will truly be missed big brother. I will forever remember you TIM ROSET.

“ I first would like to offer my condolences to Tim's family. I only had the benefit of really getting to be around him throughout college with Beardy, Jordan, and Dillon. What a rowdy bunch we were :) I have a good many memories of being out with Tim, but I have to say that my favorite memory is just how funny and a genuinely good person Tim was. I wish I could have gotten to say hello to him one last time. Great people live on forever with great memories. You will be missed my friend. Keep smiling that big grin of yours and look out over all of us.

Tim went to school with my oldest daughter , Leigh Ann Potts Baldrige and his sister Stacey went to school with my youngest daughter, Stephanie Potts Isaly so his kind face was seen quite a bit around our home since they were our neighbors out the road and rode the bus together. I am saddened to the point that I have no words to describe how much of a loss this is to so many of us. Sending prayers for Stacey and Dottie and all who knew him... what a gentle soul he was and will be missed by so many! Fly high with the angels Tim!
