“ Tina used to babysit me often as a child. While I don't remember that entirely, I do know that her life had a great impact on mine, and it was always a comfort when I would see her or talk to her (and my second mother, Dotty) when I was growing up. Age has shown me that time and circumstances often separate us from people we love and the places we knew. What doesn't detach, however, are the lasting imprints a person makes on us. Tina was an amazing force of nature and an independently fierce woman who loyally loved the people around her and was passionate about the well being of others. In my opinion, that was her impact, not only to me, but to anyone who ever had the privilege of knowing her. Rest in Peace Tina. You will be missed and loved always.

“ So sorry to all of her family and friends. Tina and I graduated together in 1985. We ran into each other again in the mid 90's, went out dancing together, and also went to our 10 year high school reunion together. May you fly high with the angels girl! 🥹

“ Heaven has gained an Angel, I am shocked to see this and so very sad for your family, Billy & Stephanie, your Mom, your siblings. My Deepest Condolences to you all. Tina & I go back many, many years (to her HS Years and working at McD's) Tina was a fun, sweet, loving person, she was a very hard worker and there is no doubt getting into nursing, she became their advocates and worked hard for all her patients. Your Smile lit up a room..... You will be missed by many, including myself. Thank you for all the memorable moments we shared and all the fun we had, you were a blast... Love you so much until we meet again..... Vickie
