“ To all of Lemuel's family:I will never forget Lemuel or sitting on his back porch as he shared stories of himself and his high school buddies, hanging around with Tim at Grandma and Grandpap Trembly's house, Clarington baseball games and my dad, Bill Steed. Remembering my mother Millie Trembly as a teenager dating my dad.He was a kind and caring man who welcomed friends. He surely has a place in heaven. May God bless you in your great loss.

“ *Being a nephew to Lemuel Tschappat (Uncle Lem) was a pleasure and a privilege my entire life. He was a great role model for me and was one of the best "men" I have known. Lem was a great athlete in his early years and took up the game of golf at age 68 and become very good at it, even at that age. He was great to be around, always positive about life and people, as he never met a stranger. He was my father's best friend through their entire lives and each had mutual respect and admiration for each other. He was a combat veteran of WWII and was a brave man. He was a man that you would always want on your side. I am going to miss him but I am proud to have known him and for being related to him. He will be sadly missed by all that have come in contact with him. — Charlie Thomas*

“ *Lem and Aunt Mary, Uncle Lem meant so much to me. I will never forget, the fun we had in the Sunshine car, golfing, his smile and the way his blue eyes would shine when he was teasing you or laughing. I have a lot of great memories growing up around him. You are both in my prayers. When Joe and I are in Ohio again we will come visit.*

“ Our town of Clarrington and the entire County of Monroe and beyond will miss Lem. He was a most amazing man. He was the kind of man all Mothers would hope their Sons would grow up to be like. He was so nice to all of us at the Credit Union and we will miss his visits. I'll miss seeing him drive by the house on his way to the golf course always waving and oftentimes stopping to say hello. So sorry for your loss.

“ I wish to express my sympathy to your family upon hearing of Lem's passing. I got to know Lem through golfing at Sistersville Country Club with Charlie Thomas. He was just a great guy to be with and I really enjoyed getting to know him and we even played a few rounds of golf together. I also enjoyed how clean he kept the old Pontiac. Again, my sincere sympathy.

His smile and demeanor lifted the spirits of anyone that has ever met him. He was so easy to love. I am so thankful that we were blest to have him with us for 92 years and yet that was not nearly long enough. He truly represented "The Greatest Generation" to the max. I will always be grateful for his military service and his friendship. His life and memory will never be forgotten. Our hearts go out to all of you as we share deeply in your loss. “ *Lemmy and family,The obituary is so accurate. I was always glad to see him and talk with him even for a few brief moments. He was a treat to be around. My friend "Lem" influenced me in a very positive and lasting manner. He conducted himself in a manner that you didn't have any choice but to respect and love this man. How fortunate this world has been to have "Lem" as one of the bright stars for 92 years. I wish I possessed the ability to say something that would take away all the pain. I can't. But I can say that I share in your pain and want you to know that I grieve with you all. —
