“ Dear Steve and Tabitha and family,
You all have our deepest sympathy at the passing of such a dear matriarch. Your Mom, Grandma, and GG was so special to so many. She was so interested in all of you and all you did. Her love for family and family treasures is unsurpassed. I feel like there is hardly a time when I did not know her. Early memories of her as a nurse, come flooding back. Remembering when she was at the old hospital, children weren't allowed to go into hospital. We were waiting in the waiting room and she came and got us to go in to see Mom. We trick or treated at her home, she was at every event at school at one point in my life, and her connection to the Historical Society Will always be so precious. Her face at the parade, when the Bauman sleigh went by pulled by horses is indescribable. Her memory will always have a special place in our hearts. May you all be comforted as you move forward in life as the loving family that she held so dear. God be with you all as you lay your dear one to rest. Love, Bart & Joyce Wiggins
