“ We didn't know Velma very well but ran into over the years thru voting or at a restaurant or shopping. She was always such a very nice person and asked about our family and was a caring and thoughtful lady . Praying for your family during this difficult time. Your neighbors Andy & Angie Bee

“ The Whetzel family and Kelley family love you Velma Ruth. We will miss having you as our beautiful, kind, giving, friendly, helpful, and a friend to all neighbors. Thank you for being our friend all these years. Love you. May you Rest In Peace. We will miss your beautiful face and kind smile and especially your way of making us laugh. Thank you for being so kind to my granddaughters, just shows how kids see the kindness in someone when they want to bake you cookies and visit you upon only meeting you a few times before. Thank you Velma Ruth for helping me through the grief of my Butch by telling me how you cooed with yours when you lost Brooks. Forever grateful for that. You and Mom (Shirley Conkle) went to school together and were good friends. She cared a lot for ya too. To Velma Ruth's remaining family. We pray that the void you feel is filled with good friends, good memories and a Gods love and peace.
