“ *I met Vicky when she was moved to the Calcutta Health Care Center in East Liverpool, Ohio, our first meeting I knew we were kindred spirits.*

*Vicky has an amazing gift for making you feel that you are her best friend, she loved purely and wholly. She had a vault of a memory for every recipe you ever wanted to make. I am a terrible cook and I would forever call her up and say, this is what I have in the fridge...what can I fix for dinner? After a moments thought she would say.... and this is how you make it.... and it was great every time! Vicky has a testimony of her Savior and her Heavenly Father, she knew they knew her personally and loved her. She put her complete trust in them and she became the strongest person I know. I will miss our visits and skye conversations, but I also know that one day we will meet again and oh, the things we will talk about once more. What comfort it is to know that she is now free from her weak body and is now running and working on the other side of the veil. Vicky will be missed but our memories will live with us forever. Thank you Vicky for teaching me so much and for being the perfect example of how we should live a Christlike life.*

*Love, Bobbie Juntilla*

“ So sad to say goodbye to one of my first friends. We met the first day of school in fourth grade on the bus going to Graysville School. We shared many classes thru the years. We were in band and Vicky's beautiful voice would start singing on he bus rides back home. One by one we would all add our voices. Some of my best memories.

“ Vicky has touched the lives of so many here in Lisbon, Ohio. She has the sweetest spirit about her. She was so talented making jewelry. She also was very involved at the nursery home in sharing music and helping others. Vicky was able to be involved in Relief Society and often taught the lesson. She will be truly missed.
