“ We were neighbors with Pappy Lou & Wanda when my daughter, Emily, was two years old. We enjoyed visiting with them and Wanda always made sure that Emily had fresh baked cookies whenever she baked. We sat on the carport and visited while Emily walked around smelling all of Wanda's and Aunt Martha's pretty flowers. I feel blessed to have known such a wonderful, caring couple. They will be joined together again in heaven. We will miss visiting Wanda at Genesis. Hugs and prayers for your family.

“ Wanda touched so many lives in her lifetime. She was an inspiration to all. She loved life and enjoyed helping others . I feel very blessed to be a part of her family. She accepted me into the family with open arms. I lost my mom at a very young age, so Wanda became like a mother to me. I loved her dearly, and will miss her, but I know she is with Pap, dancing in heaven, no longer suffering, and for that, I need to be happy for her.

“ Where do i begin about this lady. I have had the pleasure of knowing her while she was in the care center. Everytime we went on appts. She always said we have to get ice cream. We had some great times together my friend. I no longer can tell you goodnite when i leave everyday and that makes my heart heavy. Your door has been shut and brings tears to us all. I know you are in peace and reunited with Lou. Teach everyone up there the secret to putting puzzles together as fast as you can.. Fly High Sweet Angel We all will miss you deeply.

“ So sorry to hear of Wanda's passing. She was such a special ,and caring friend. She will be missed by so many. She had a heart of gold. There was never a time during our visit she always asked me how I was doing. Or my mom. I just loved her so much. I just pray and ask God to wrap his arms around her family, and friend to comfort them during this time. She will be missed deeply. With Love Barb Romines
