“ *Mark, So sorry to hear of your mom's passing. Our church used to go to the care center once a month, and she was always so cheerful. She showed her wonderful colored pictures to me. My what a blessing that she could still get so much enjoyment out of that hobby! My deepest sympathy for your loss. Marilyn Riggensch*

“ Mrs Wanda was a bright light every time I saw her. She always had a smile and a hug for me. I will miss her kindness and shining smile. My brother Bruce Richmond has very fond memories also. He related to me a story of when he was in elementary school and he road with them to Shunbrun park on a field trip. He sends his condolences.

“ *Aunt Wanda was one of my very favorite people in this world. When I was young, she was always ready to play games anytime I came to visit. She would edit my English papers, listen to my stories and always be there whenever I needed her. Living next door to her most of my life was a true blessing. One of my fondest memories happened when I was 10. One week, Uncle Wimp and my dad were on afternoons so, she and my mom decided to teach me to cook. Being taught to cook by my favorite ladies was amazing. We ate well and laughed hard that week. Take care of Dalton and Victoria until I get there. I love you, Aunt Wandi ❤️*
