“ Bill we loved you like family ... he was friends with my parents my entire life and prior to me even being born. We have talked about going to visit him and Tammy so many times and I just thought a couple weeks ago that I need to make this a priority this summer. Nobody knows better than I do not to wait because things can change in the blink of an eye. I will forever regret not going for a visit before now... now that it's too late. Rest easy Bill. Say hello to Hannah, my mom, dad and Robin for me. I bet there was quite a reunion. So much love, hugs and prayer to you all. I am so very sorry for your loss.

Prayers to you and your family Bill - I've known Bill most of my life. We ran together in our late teens and 20's at Travelers, Club 250, Highway Inn and in Cameron.
