*You all have my deepest condolences and sympathy. I watched the video here and I cried throughout. It was hard watching knowing the losses we have in our family. Seeing dad and grandma there knowing they are gone along with your mom and know your dad. I believe in my heart they are all together and dont want us to be sad with the loss of naother family member, but yet rejoice in the lives they all loved and the love they gave us all. Uncle Bill was a lovoing kind man and will be missed by us all. Take care of each other as I know he would want you to. Your cousin Robin*

This has to be so very difficult, with your Mother and now your Father so close together. May God wrap his arms around all of you and know they are together now and with no more pain. Love you all!*
