Rest in peace uncle Bill. Many laughs were shared on Elk Fork with you... As well as endless Springsteen. Rock the Heavens, until we meet again. I will never forget you and will always remember you with a smile.

“ Bill Caputo was as fine a man as we've ever known in this lifetime ~ kind, generous, tremendously talented and smart ~ those of us left behind are poorer for his loss, but we were all certainly richer for his life. May God bless him with the eternal peace he richly deserves, and may God give Joyce and his family the kind of strength that came to Bill so naturally. We will miss him always ~ may he forever rest in peace...
