“ *Donna & Family,
No words can truly express and minimize the loss you all are enduring. Tom was a person we enjoyed being present among us. May you take comfort in the loving memories.

“ *Donna and Family, Johnny, Linda and family, Mary Ann, Bob, Jack and myself and our families want to tell you how very sorry we are. No words can comfort you at this time but we want you all to know that you are in our hearts and prayers. Due to our own health issues we won't be there but we are there in spirit. There was not a time when I think of Tommy that he was not smiling, regretfully most of the time we cousins did not get together as much as we should and he even said one time at a funeral home that we should try to get together other than funerals. Please know that if we could be there we would, and know that you are hearts, Tommy will live in our hearts. May God give you strength to get through this heartbreak. Love to all, Iris and family, Bob and Family and Jack and Family.
God Bless*

“ Donna, Bob and I fondly remember our chance meeting at Robinson's. We laughed as we caught up on our families and shared how we were enjoying our lives. You told us about living in Florida and playing golf every day that you could. We agreed to get together for a round of golf. We regret never getting the opportunity to make that happen. We are so sorry for your family's loss. And also for all of us that had the opportunity to know Tom.

“ So many memories since I have loved him all my life. He was funny and love to laugh. He loved telling jokes. He loved with his whole heart and when he loved you, there was no doubt that you were loved. He always told the story that when he was in a baby buggy one time that his sister and brother would take him up on top of the hill and let the buggy go. To my loving Uncle I will miss you for the rest of my life. RIP
