*“ I've known Frank my entire life. I grew up in the house right next to him. My sister and I got to go over and swim in his in ground pool every summer! I grew up and bought a house right up the lane from him. My kids came to know him just as I did. My husband and son absolutely loved talking about vehicles, tractors, racing, and all kinds of things with him. He will be missed! We send our love and prayers to his family and friends.*
